

CERTIFICATE OF CONFORMANCE

Issued to

Microban International, Ltd. certifies that Marlux Medical is a successful participant of the Microban® Product Certification Trials and Testing Program. Marlux Medical has been awarded the right to use the Microban® Antibacterial Product Protection endorsement.

Marlux Medical is licensed to use the Microban® trademark for the following product category:
DISPOSABLE PRIVACY CURTAINS

- ❖ The Microban® additive used in Marlux Medical disposable privacy curtains is in accordance with the Commission Regulation (EU) 528/2012, the Biocidal Products Regulation, which was adopted on 22 May 2012, came into force on 1 September 2013, and repealed Directive 98/8/EC of the European Parliament (Biocidal Products Directive).
- ❖ Acceptable antibacterial efficacy is defined as a two-log or greater difference in bacterial populations recovered from Microban® treated versus untreated samples, tested according to a modified version of the AATCC 100 test method protocol.
- ❖ Bacteria strains tested include: *Escherichia coli*, *Staphylococcus aureus* (as defined by the test), *Salmonella enterica*, *Klebsiella pneumoniae*, and *Pseudomonas aeruginosa*.

This certificate may not be used or distributed in the USA or Canada, or in any jurisdiction where such use or distribution would be contrary to any applicable law or regulation.

Microban Certificate Number: MBE435793
Certification Issue Date: 12 October 2020
