### About the role:

Marlux Medical is a leading manufacturer of high-quality privacy curtains for healthcare environments. We are looking for an experienced **Manufacturing Operative** to join our team on a zero-hour basis.

The role involves supporting the production, assembly, and packing of our full product range, with a particular focus on bespoke sewn goods manufactured using ultrasonic sewing machines. This is an ideal opportunity for someone with hands-on manufacturing or sewing experience who is looking for flexible work within a growing healthcare manufacturing business.

### What you'll do:

- Manufacture and assemble products to the highest quality standards
- Carry out quality checks and complete production documentation
- Accurately complete batch and processing records
- Maintain a clean, safe, and well-organised working environment
- Follow all hygiene, health & safety, and quality procedures at all times

### We are looking for:

- Previous experience in manufacturing, sewing, or assembly is **essential**
- Excellent attention to detail with a strong commitment to quality
- Ability to follow instructions and company procedures accurately
- Reliable, flexible, and able to work well as part of a team

### Why Marlux:

- Flexible zero hours contract
- Competitive pay (£10–£12.73/hr)
- A supportive and friendly team environment
- Opportunities to learn new skills and grow within the company
